

PUBLIC INFORMATION MEETING #2

Wayne County Airport

The Wayne County Board of Commissioners have submitted a Draft Final Airport Master Plan and Airport Layout Plan (ALP) set to the Federal Aviation Administration (FAA). The Master Plan Update documentation and ALP will guide development to meet existing and future needs of Wayne County Airport for the next 20 years.

This is an invitation to provide comments concerning the Airport's 20-year plan. There is no formal presentation planned. Attendees will be able to view materials in an open house forum at their own pace and ask questions of the County, airport staff, and their consultants.

Please join us at an information session to learn more about the Wayne County Airport's 20-year plan.
